## 2015 FINANCIAL DISCLOSURE OVERVIEW

### City Financial Disclosure Laws

**Section 2-813** of the Code of Ethics requires the annual disclosure of financial statements to enable the public to review the assets and income sources of city officials and employees for actual and potential conflicts of interest between the individual's official duties and personal interests. Pursuant to city ordinance **13-0-1294**, the filing deadline has been changed to **April 1, 2015**, and the grace period for filing without a penalty ends on **April 16, 2015**. Notices will be mailed to required filers by **March 1, 2015**.

### Electronic Disclosure System

City officials and employees are required to file their annual financial disclosure statements online in the Electronic Disclosure System. Persons who are 65 years of age or older may seek a waiver from the online filing requirement and file hard (paper) copies of their financial disclosure statements by mail or hand delivery.

### Who Is Required to File

The Code of Ethics requires city elected officials, approximately 10 percent of the city's work force, city board members, and neighborhood planning unit officers to file the annual financial disclosure statement. Required filers must submit a statement every year that they serve the city and the year after they leave city service. Every year the Ethics Office posts online a list of elected officials, employees, and volunteer city officials who are required to file the financial disclosure statement.

**City Officials and Employees:** Pages 1 to 12

**City Appointees and Board Members:** Pages 13 to 15

## TRANSPARENT DIAMOND AWARDS

COMING JUNE 2015!

- City departments and boards are eligible to receive the Transparent Diamond Award for having 100% compliance with the annual financial disclosure filing requirements.
- To achieve Diamond status, every required filer in the department or board, including former employees and board members, must meet the April 1, 2015 deadline for filing.
- Departments may also achieve Honorable Mention status for having met the filing requirement before the grace period, which ends on April 16, 2015.
